

Open GI User Group

Helping you get more from your system

In today's rapidly changing market, it is more important than ever to get the most out of your insurance software. Owning an Open GI system allows you to join the Open GI User Group - the largest and most successful organisation of its kind in the industry, representing more than half of Open GI's member base.

By joining the Open GI User Group you are able to voice your opinion and have a direct say in how the Open GI system is developed.

Why Join?

- Free training sessions provided at our Members Day.
- 20% discount available on most new products for the first six months of release.
- 10% discount on consumables such as Toner Cartridges and Back-Up Tapes.
- 20% discount on Training and Consultancy*.
- A voice at board level of Open GI.
- Online forum to share queries, views and opinions.
- Escrow agreement - Open GI source codes will be released to the Open GI User Group should Open GI go out of business.
- Email newsletter containing regular hints and tips to get the most from your Open GI system.

* Excludes online training

What Does It Cost To Join?

The cost for January - December 2013 was £140. This is reviewed annually. Those wishing to join during the year are charged on a pro-rata basis.
